Dear Mr. White:

Thank you for your letter of April 25, with its description of the research activities being carried on by your organization and with its kind offer to open the laboratory to the inspection of one of our representatives.

Though it will not be possible for us to send a representative to the laboratory in the immediate future, it is quite likely that we shall be glad to take advantage of your offer within a month or two.

Please be assured that your cooperation is warmly appreciated, and that your kind offer will not be forgotten.

Sincerely yours,
